

## Here Comes 2016

Welcome to the November issue of 2015. This month we learn about:

- the Rendezvous silent auction
- other events slated for 2016

### Rendezvous 2016 Silent Auction

*Barry and Maureen Payne*

One of the many exciting events we are planning for the 2016 Rendezvous (Kenora June 2016) is a silent auction. We are hoping to make it "a cut above" the usual "garage sale" by ensuring we have an outstanding selection of quality, sought after items. Our American friends will likely be in a shopping mood, looking for bargains with the favorably low Canadian dollar.

To make the event successful we are looking to all our members to both contribute and seek out suitable items. We encourage you to not only search your own "treasure chests" but to canvass family members, friends, business contacts and local businesses, like stores and restaurants.

Although car-related items are always welcome, remember that most of the club members already have most of their tools. So

let's think more broadly and remember ladies are often the keen and discerning shoppers of the family.

We will be sending you regular reminders, but now is a good time to start thinking about it. I'm sure there will be some great opportunities for "re-gifting" after Christmas but maybe not that aspidistra you got from Uncle Charlie last year!!

As an added bonus we will be happy to collect your contributions. Just call us (204 444 3215) or e-mail at [barry@wildrosepottery.ca](mailto:barry@wildrosepottery.ca) and we can arrange a good time. Thanks very much for your help.

## Membership

If you have not yet renewed, please send your cheque payable to the Austin Healey Club of Manitoba (AHCM) to:

Helmut Friedrich  
317 Borebank St.  
Winnipeg, MB R3N 1E5

For those who are "local members" or those who are not members of the Austin Healey Club of America (AHCA), your dues are \$CAN25, made up of \$20 annual AHCM club dues plus \$5 for insurance provided by the AHCA to all sanctioned clubs (AHCM is a sanctioned club).

For those AHCM members who are also members of AHCA, provide your payment of \$US50 directly to the Austin Healey Club of America. This direction may be different from the invoice which you will receive from the AHCA indicating that you are to pay your membership to the AHCM. We are asking you to pay directly because of the poor exchange rate which is constantly in flux and the delays we have experienced in members renewing.

Pay \$CAN20 to our AHCM Treasurer, Helmut Friedrich (see above) for your annual dues to our club. Note that as members of AHCA your dues include the cost of the insurance and no additional fees are required for AHCM membership.

AHCA Address:

c/o Membership Director, Mike Schneider  
110 North Rasteller  
Louisville, KY 40206 USA
